WASH REQUIREMENTS FOR THE WORKSHOP

1. DepEd Region VII is working with Rotary Foundation on a possible grant related to the implementation of the Wash in Schools Program. There will be a workshop on October 17, 2023, to be participated by the Schools Division Superintendents and School Heads of the following schools:

Division	School
Cebu Province	Angilan NHS (Alanguinsan)
	Esperanza ES (Alanguinsan)
	Kang-atis ES (Lusaran)
	Lantawan ES (San Fernando)
	Maharuhay ES (Medellin)
Cebu City	Vito ES (Barili)
	Banilad ES
	Don Sergio Osmena NHS
	Pasil ES

2. The School Heads are requested to accomplish the attached financial template before attending the said workshop. Please be guided of the new requirements as stated by the Rotary Foundation:

Hygiene Education Training for Teachers (2 days):

What behaviors (related to hygiene) are you aiming to improve?

- a. Please describe the existing curriculum for hygiene education and explain how well it is being implemented. How could it be improved? What additional knowledge, skills and/or resources would they need to make it successful?
- b. After the grant ends, will there be refresher hygiene training to reinforce healthy habits? How will behaviors be monitored?
- c. How will the knowledge and skills gained by this particular cohort of teachers be passed along to other teachers in the school, including new teachers? How will this investment not be lost in a few years due to teacher rotation or loss to other schools? We encourage you to think about a train the trainer model that can be permanently adopted by the school, where new cohorts of teachers adopt these skills and practices. Can these supplements to the core teacher training curriculum be adopted into the annual training for teachers?

- d. Once teachers are prepared to teach and integrate hygiene lessons into their daily curriculum and practices, what is plan for training students, through what opportunities, etc.? How often will students be exposed to hygiene messaging and practices for improved hygiene in the school environment? Please describe.

Budget:

- a. How are you going to cover training expenses? Is it going to be paid for by another organization? If so, please provide a formal agreement stating what fiscal and non-fiscal resources will be covering training and monitoring expenses related to hygiene training. Otherwise, adequate training expenses must be included in your budget.

Operation and Maintenance:

- a. Are spare parts for repair and replacement of the system available locally?
 - b. If the system needs more advanced repair, could this be handled by local technicians and who can they turn to for more advanced technical support?
 - c. Please provide an equipment maintenance plan (describe the maintenance activities planned, who will be performing these activities, how often these activities will be performed.)
3. Expenses of the participants relative to their participation in this activity shall be charged against the participants local funds subject to the usual accounting and auditing rules and regulations.
 4. For your immediate action and compliance.
