Dear Dir. Sal,

We hope that this letter finds you well.

We would like to thank you for sending us the list of schools that possibly can pilot MATATAG-aligned contents of Khan Academy this coming School Year 2024-2025. To validate if the schools have met the technological requirements as well as establish rapport with the school heads, school ICT focal person and possible pilot Math teachers, we will conduct school verification on April 15 to 18, 2024. Attached herewith is our suggested itinerary.

In line with this, we would like to request that a SDO or RO personnel accompany us in going to the schools so that verification will be swift and more efficient. Schools need not prepare anything such as program, lay, etc. We only expect to stay 20-30 minutes per school where we will do the following:

What we will check	What we will ask	Who we are expecting to be in school
<ul style="list-style-type: none"> <li>• Strong internet connectivity (at least 100 Mbps)</li> <li>• 1 device per student user (in computer lab or wherever they will do Khan)</li> <li>• Eager administrators and teachers</li> </ul>	<ul style="list-style-type: none"> <li>• Grade level and number of sections that will join the pilot (Choices: Grade 1, 4, 5, and 7)</li> <li>• Number of teachers for training</li> </ul>	<ul style="list-style-type: none"> <li>• Principal or Asst. Principal or Grade level head</li> <li>• School ICT focal person</li> <li>• Possible pilot Math teachers</li> </ul>

Thank you for your time and consideration. Should you have any questions or need further clarification, please feel free to reach out to us. We eagerly await your feedback.

Best regards,

**BERNADETH C. DARAN**
