Dear Dr. Monisit :

The Department of Education – National Science Teaching Instrumentation Center (DepED – NSTIC) is prototyping science equipment for mass production and eventually for distribution to public schools nationwide.

Since laboratory and regular classroom structure, lay-out and fixtures is an integral factor in designing science equipment, DepED – NSTIC shall be sending an evaluation team to assess the condition of existing school science laboratories and at least three (3) regular classrooms usually utilized in teaching science of the following high schools in your division with the scheduled visitation date on August 1-2, 2013.

SCHOOL		LOCATION	CATEGORY
Bitoon NVHS	-	Dumanjug	recipient school
Laning NHS	-	Ronda	recipient school
Ronda NHS	-	Ronda	recipient school
Magsico NHS	-	San Fernando	recipient school
Alcantara NHS	-	Alcantara	non-recipient school
Moalboal NHS	-	Moalboal	non-recipient school

The team will also monitor the utilization and physical condition of the science equipment provided to the recipient schools.

In this connection, we are requesting that the team will be given access to conduct evaluation of the classroom's structure and the science equipment of the recipient schools.

We look forward for your usual support. Thank you very much.

Very truly yours,

RAUL C. LA ROSA
Director III
