**Dr. Carmelita T. Dulangon**

Officer-In-Charge, Regional Director  
 Department of Education Region VII

**Dear Dr. Carmelita Dulangon:**

Warm greetings!

The Global Peace Foundation (GPF) is a global movement of committed peace builders working in partnership based on common principles, values, and aspirations. GPF promotes and celebrates persons and programs that contribute to reconciliation, mutual respect, harmony and cooperation, and sees all people as **One Family under God**.

Moral and innovative leadership is essential in advancing societal goals of sustainable peace and economic opportunity. The GPF's **Global Peace Leadership Conference (GPLC)** is a forum that addresses specific regional concerns and build consensus for political and community-based responses to poverty and conflict.

Through these regional forums, experts, policy makers, and civil society leaders are able to explore new opportunities for collaboration and advance citizen-to-citizen exchanges to promote good will and economic development.

GPLCs in Philippines, South Korea, Mongolia, Nepal, Indonesia, and Paraguay led to ground-breaking new approaches to moderate religious and ethnic divisions, promote environmental sustainability, and encourage political reform and transparency.

GPLC graduates are expected to take innovative initiatives in their own areas and/or countries and collaborate globally to advance moral and innovative leadership.

This year, in celebration of the Global Peace Festival 2013 Philippines, the Global Peace Foundation will be convening the **Global Peace Leadership Conference 2013 Philippines** on November 20-22 at **The Manila Hotel** on the theme **"Moral and Innovative Leadership: A Platform for Sustainable Peace and Development"**.

**In this respect, it is our great honor to invite you and your officers, educators, and teachers to the above mentioned event.** Your presence will be greatly appreciated and we are looking forward to your favorable consideration.
