DR. ROLAND V. VILLEGAS
Education Program Supervisor in TLE, TVE, & EPP
Department of Education - Region VII
Ecotech Road, Sudlon, Lahug, Cebu City

Dear Dr. Villegas,

Our company, Cebu Technical Vocational Training and Assessment Academy, Inc. (VocTech), is an institution that is registered with the Securities and Exchange Commission (SEC) and with endorsement from the Technical Education and Skills Development Authority (TESDA). We are happy to announce our training in Solar Photovoltaic (PV) Technology on May 26-28 2017. We pride ourselves on setting up our clients for success in Solar Photovoltaic (PV) Technology and are sure that you will leave our sessions more prepared than you have ever been.

Our training sessions are meticulously planned by our trainers and are designed in a manner geared toward the maximization of efficiency. Your time is valuable, and so is ours, so our goal is to best prepare you while taking up the least amount of your time possible.

This course is designed for the general public, students, electricians, and businessmen who has zero knowledge and wants an introduction to the PV Technology as a user, installer, and as possible business venture. This 3 day course includes a hands-on demonstration and set-up of a simple Grid-Tie and Off-Grid Solar Power System.

We are taking this opportunity to invite you to enroll in this training course. We would be highly honored if you can spare some time from your busy schedule to attend the training.

In the event you are not able to make it, we would gladly accept your representative to take this training course. We are also inviting other companies, entities and personalities so we are sure that the experience of taking part in this training course will be enriching.

The course fee is P10, 000 inclusive of snacks, handouts, and training certificate.

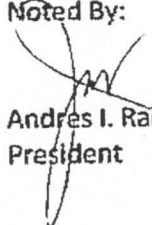

For inquiries or reservation, please contact us at (032) 4175254 or 09333455013 or you may send us an email at mail@votech.edu.ph.

We eagerly await your participation in this training course. Thank you very much.

Respectfully Yours,

Engr. Emmanuel C. Komboy
Operations-in-Charge
