Dear Dr. Angtud,

I would like to start this letter by wishing you a warm hello.

ORAI, ORGANIZATION OF REHABILITATIVE ADVOCATES FOR INCLUSION. In July 2013 ORA change its name to Organization of Rehabilitative Advocates for Inclusion (ORAI) meeting the needs of children and young adults with special needs. This program is to promote awareness and equality among our PWD children and students with its mission vision to gather agencies, organizations, advocated and volunteers to pool resources and expertise together to help persons with disabilities develop their fullest potentials, become empowered, and able to contribute to national development.

Our National Disability Prevention and Rehabilitation Week (NDPR) is scheduled on 14^h of July until the 20th of July.
