HIRING GUIDELINES FOR SENIOR HIGH SCHOOL (SHS) TEACHING POSITIONS

I. Rationale

The Department of Education (DepEd) recognizes that the success of any education system greatly relies on the competence of its teachers. Hence, one of the primary issues the Department aims to address through its comprehensive implementation of the K to 12 Basic Education Program is the need for highly competent teachers in senior high schools. The program plans to achieve this objective through setting professional standards that will better ensure that the teachers hired are able to significantly contribute to the development of lifelong learners.

Faithful to the merit and fitness principle of the Civil Service Doctrine of the Constitution and DepEd's continuing thrust to enhance the quality of basic education, these hiring guidelines are hereby promulgated for teaching positions in the senior high school consistent with the pertinent provisions of existing laws, rules and regulations.

Teacher's lesson or unit is highly coherent and has a clear structure.	Most of the elements of the instructional design support the stated instructional objectives and engage students in meaningful learning and the lesson or unit has a clearly defined structure.	Some of the elements of the instructional design support the stated instructional objectives and engage students in meaningful learning, while others do not. Teacher's lesson or unit has a recognizable structure.	The various elements of the instructional design do not support the stated instructional objectives or engage students in meaningful learning and the lesson or unit has no defined structure.

B. Classroom Management	4 points	3 points	2 points	1 point
1. Managing Classroom Procedures	Classroom routines and procedures are seamless in their operation, and students assume considerable responsibility for their smooth functioning.	Classroom routines and procedures have been established and function smoothly for the most part, with little loss of instruction time.	Classroom routines and procedures have been established, but function unevenly or inconsistently, with some loss of instruction time.	Classroom routines and procedures are partly inefficient, resulting in the loss of much instructional time.
2. Organizing Physical Space	Teacher's classroom is safe and students contribute to ensuring that the physical environment supports the learning of all students.	Teacher's classroom is safe and learning is accessible to all students; the teacher uses physical resources well and ensures that the physical arrangement supports the learning activities.	Teacher's classroom is safe and essential learning accessible to all students but the future arrangement only partially supports the learning activities.	Teacher makes poor use of the physical environment resulting in unsafe or inaccessible conditions for some students. There is poor alignment between the physical arrangement and the lesson activities.

Teacher's use of questioning and discussion techniques reflects high-level questions, true discussion, and full participation by all students.	Teacher's use of questioning and discussion techniques is uneven, with some high-level questions, attempts at true discussion, and moderate student participation.	Teacher makes poor use of questioning and discussion techniques, with low-level questions, limited student participation, and little true discussion.
3. Students' Learning	Students are intellectually engaged in challenging content, through well-designed learning tasks, and suitable scaffolding by the teacher, and fully aligned with the instructional outcomes. All the instructional objectives and key concepts are assessed through the proposed plan, but the approach is more suitable to some goals than to others.	Some of the instructional objectives and key concepts are assessed through the proposed approach, but many are not.	Content and methods of assessment lack congruence with instructional objectives and key concepts.
2. Assessing Student Learning	Teacher's plan for student assessment is fully aligned with the instructional outcomes, with clear criteria and standards that show evidence of student contribution to their development.	Teacher's plan for student assessment is aligned with the instructional outcomes, using clear criteria, is appropriate to the needs of students. Teacher intends to use assessment results to plan for future instruction for groups of students.	Teacher's plan for student assessment is partially aligned with the instructional outcomes, without clear criteria, and inappropriate for at least some students. Teacher intends to use assessment results to plan for future instruction for the class as a whole.	Teacher's approach to assessing student learning contains no clear criteria or standards, and lacks congruence with the instructional objectives. The results of assessment have minimal impact on the design of future instruction.

The teacher failed to integrate and carry out the provision for reinforcing learning of the lesson taught.

The number of points attained for each of the fifteen (15) listed components shall be added and then divided by sixty (60). The quotient shall then be multiplied by 0.20 (or 20% for Academic track and core subject applicants) or by 0.15 (or 15% for TVL, Arts and Design, and Sports tracks applicants). The product shall then be multiplied by 100.

Example:

Sum of points attained for the 15 components by Arts and Design applicant = 45

[(45 / 60) x 0.15] x 100 = 11.25

Score for Demonstration Teaching = 11.25 / 15

Applicants shall undergo Demonstration Teaching specifically for subject/s under the SHS subject group for which they are applying.

VIII. CONSTITUTING AND UTILIZING THE REGISTRY OF QUALIFIED APPLICANTS (RQA)

1. The RQA is the list of applicants qualified for appointment, which shall be used in filling up new items and natural vacancies for SHS teaching positions. It shall be valid for a period of one (1) year.
 - 1.1 However, if and only if the all applicants in the RQA have been appointed and there are still available positions, the SDO shall appoint applicants following the guidelines in Items VIII.10-12.
2. The cutoff score for inclusion in the RQA is seventy (70) points.
3. Six (6) separate RQAs shall be prepared by the Division Selection Committee according to the six (6) SHS Subject Groups as defined in Item II.13.
4. The RQAs should 1) show the full names (in alphabetical order) and specializations of qualified applicants, 2) show both the results of each criterion and the final overall rating, 3) indicate the date of posting, and 4) be signed by the SDS.
5. Subject area specialization of the qualified applicants shall be the primary consideration. Thus, applicants to be appointed must be qualified to teach the subject area specialization needed by the school.
6. Only applicants with professional teaching licenses from PRC shall be given permanent appointments.
7. Pursuant to Section 12 of RA 10533, qualified academic personnel affected or displaced from employment from HEIs as a result of the adoption and implementation of the Act shall be given first priority in hiring. Thus, per RQA, displaced HEI faculty (with the specializations needed by the school) shall be appointed first before all other qualified applicants may be appointed.
8. For SY 2016-2017, the RQAs must be posted by the last week of February 2016. Applicants may be appointed in March 2016.
9. For SY 2016-2017, hiring for teachers for the core subjects shall be prioritized. For SY 2017-2018, hiring for teachers for the specialized subjects shall then be prioritized. For SY 2018-2019 onwards, hiring shall be based on the division and schools' needs.
10. In cases where all those in the RQA have been appointed there are still available positions, applicants with eligibility (professional teaching license) who obtained ratings of 65.00 to 69.99 points may be given permanent appointments.
11. If all those without eligibility who obtained ratings of 65.00 to 69.99 points have been appointed and assigned to their respective stations and there are still available positions, applicants who obtained 65.00 to 69.99 points but are without eligibility may be given contractual appointments.

12. In cases where all those who obtained 65.00 to 69.99 (Items VIII.10-11) have been appointed and assigned to their respective stations and there are still available positions, the concerned Schools Division Office shall coordinate with a neighboring SDO whose RQA has not yet been exhausted and facilitate their applicants' deployment to the Division, subject to the applicants' written concurrence. If an applicant refuses to be deployed to the other division, no deployment shall be effected. The evaluation process shall not be repeated; the scores given by the neighboring SDO shall be honored.

(Enclosure to DepEd Order No. 51, s. 2017)

**AMENDED QUALIFICATION STANDARDS FOR THE SENIOR HIGH SCHOOL
TEACHING POSITIONS IN THE TECHNICAL-VOCATIONAL-LIVELIHOOD TRACK
AND OTHER CLARIFICATIONS ON THE HIRING GUIDELINES**

I. Rationale

Faithful to the merit and fitness principle of the Civil Service Doctrine of the Constitution and the Department of Education's (DepEd) thrust to enhance the quality of basic education, the Department issued DepEd Order (DO) No. 3, s. 2016 entitled *Hiring Guidelines for Senior High School (SHS) Teaching Positions Effective School Year (SY) 2016-2017*, DO No. 27, s. 2016 entitled *Qualification Standards for Senior High School (SHS) Teaching Positions in the Department of Education (DepEd)*, DO No. 32, s. 2016 entitled *Addendum to DepEd Order No. 3, s. 2016*, and DO No. 49, s. 2016 entitled *Guidelines on the Hiring of Contractual (Full-Time and Part-Time) Teachers in Senior High School* aimed at defining the application, selection, and appointment process of Senior High School (SHS) teachers as well as establishing professional standards and evaluation criteria to ensure that highly competent individuals with the appropriate qualifications and specializations are hired to teach in SHSs.

Pursuant to the recently issued Civil Service Commission (CSC) Resolution No. 1701192 on the *Amended Qualification Standards (QS) for the SHS Teaching Positions in the Technical-Vocational-Livelihood (TVL) Track* and CSC Resolution No. 1701009 on the *2017 Omnibus Rules on Appointments and Other Human Resource Actions*, and other relevant issuances, there is a need to amend and clarify specific provisions in the existing recruitment, selection, and hiring guidelines for SHS teachers, as stipulated in the DepEd Orders enumerated above.

II. Scope

This Order provides for the amended Qualification Standards (QS) for the SHS teaching positions in the Technical-Vocational Livelihood (TVL) track. It also clarifies specific provisions of the previously issued guidelines on recruitment, selection, and appointment of SHS teachers in all public SRISSs, particularly on the professional eligibility and documentary requirements as well as the application and appointment procedures.

III. Definition of Terms

In accordance with the CSC Resolution No. 1701009 dated June 16, 2017 on the *2017 Omnibus Rules on Appointments and Other Human Resource Actions*, the following terms and definitions are added to Item III (Definition of Terms) of DO No. 3, s. 2016:

1. **Provisional** refers to an appointment issued to an appointee to a teaching position who meets all the requirements of the position except the Eligibility but only in the absence of a qualified eligible actually available who is willing to accept the appointment, as certified by the Schools Division Superintendent. It shall not

be effective beyond the school year during which it was issued¹. The appointment shall be subject to reappointment (renewal).

2. **Contractual** refers to an appointment issued to an appointee to a teaching position who shall teach specialized subjects in secondary education on a part-time basis. The inclusive period shall be indicated on the appointment for purposes of crediting services. Appointees to contractual teaching positions shall not be required to possess RA No. 1080 (Teacher) Eligibility.

IV. Policy Statement

The DepEd hereby adopts this Order to amend the QS for the SHS teaching positions in the TVL track, and to clarify specific provisions of previously issued guidelines on the recruitment, selection, and appointment of SHS teachers. These guidelines shall provide guidance to all DepEd offices and schools, teacher applicants, and other stakeholders on the hiring process of SHS teachers.

V. Procedures

A. Amended Qualification Standards (QS) for the SHS Teaching Positions in the TVL Track

1. The CSC has promulgated Resolution No. 1701192 dated August 7, 2017 on the *Amended Qualification Standards (QS) for the SHS Teaching Positions in the Technical-Vocational-Livelihood (TVL) Track*. Enclosed are the following documents:

- a. Summary Table of the Amended QS for the SHS teaching positions in the TVL track; and
- b. CSC Resolution No. 1701192 dated August 7, 2017.

Hiring to the said positions should meet the requirements stated in the amended QS, subject to existing guidelines on the appointment and promotion of teaching positions.

The amended QS shall be applied to appointments issued to teaching positions during SY 2016-2017 which have been pending with the CSC. The Schools Division Office (SDO) shall also be allowed to file a Motion for Reconsideration to their respective CSC Regional Offices (RO) on the disapproved/invalidated appointments prior to the approval of the amended QS, or an Appeal to the Commission proper if the Motion for Reconsideration has already been denied by the CSC RO prior to the approval of the amended QS.

¹ For this purpose, the school year shall cover twelve (12) months with the date of appointment as the reckoning date.

B. Professional Teachers RA No. 1080 Eligibility

2. In accordance with CSC Resolution No. 010005 dated January 03, 2001, Professional Teachers (Secondary Level) RA No. 1080 Eligibility can be considered appropriate for appointment to teacher positions in both elementary and secondary levels, however, the Professional Teachers (Elementary Level) RA No. 1080 Eligibility is appropriate only for appointment to teacher positions in the elementary level. Pursuant to Republic Act (RA) No. 10533, also known as the *Enhanced Basic Education Act of 2013*, secondary education consists of junior high school (JHS) education and SHS education. Thus, only Professional Teachers (Secondary Level) RA No. 1080 Eligibility shall be considered appropriate for appointment to teacher positions in the SHS.

C. Application Process and Documentary Requirements

3. The online application through the Department's online system (application.deped.gov.ph) shall no longer be necessary. An application letter supported by the documents enumerated in Item V.2 of DO No. 3, s. 2016 shall be submitted to the SDO or the school head of the SHS where a teacher shortage or vacancy exists.

4. Additional requirements for TVL teacher-applicants, stipulated in Item V.2 of DO No. 3, s. 2016, are amended as follows:

a. Technical Education and Skills Development Authority (TESDA) National Certificate (NC) of at least the **same level** as the course to be taught in the subject to be taught (e.g. NC-II in SMAW to teach SMAW-NC-II). Exception to this rule is given to applicants to courses with no NCs (e.g. Handicraft courses).

b. Certified photocopy of Trainers Methodology Certificate (TMC) I, if available.

5. Pursuant to DOLE-DepEd-TESDA-CrED Joint Guidelines on the Implementation of the Labor and Management Component of RA No. 10533, displaced faculty from Higher Educational Institutions (HEI) or Technical-Vocational Institutions (TVI) shall submit the following requirement in addition to the certified true copy of Certification of Status of Employment/Service Record from HEI/TVI as required in Item V.2 of DO No. 3, s. 2016:

a. Certificate of Displacement duly signed by the authorized representative of the HEI/TVI (*template attached as Annex A*).

D. Hiring of Contractual Teachers

6. In accordance with the revised definition of *Contractual* appointment as provided in this Order, DO No. 49, s. 2016 is hereby rescinded to cover only hiring of contractual teachers on a part-time basis.

As provided in Item X.1.b.iii (Determination of Rank and Salary to be Offered to Qualified Applicants) of DO No. 3, s. 2016, a contractual appointment may be issued to an applicant who obtains a rating of 70 and above but opts to have a contractual appointment; and an applicant who lacks the Eligibility requirement but obtains a rating between 65.00 and 69.99, and in the event that there are still positions to be filled after the SDO has exhausted its Registry of Qualified Applicants (RQA) and has already appointed eligible applicants who obtained 65.00 to 69.99 points; provided, however, that the contractual appointment to be issued is strictly on a part-time basis.

E. Teachers with Provisional Appointment

7. As provided in Item X.1.b.ii (Determination of Rank and Salary to be Offered to Qualified Applicants) of DO No. 3, s. 2016, a provisional appointment may be issued to an applicant who does not possess the Eligibility requirement but possesses all other requirements under the CSC-approved QS, and has obtained a rating of 70 and above. Pursuant to Section 8 of RA No. 10533, the Eligibility requirement must be obtained within five (5) years after the date of hiring. The following provisions are added to clarify previous provisions relating to teachers with provisional appointments:

- a. Once a teacher with a provisional appointment acquires the Eligibility requirement within five (5) years after date of first hiring, the status of his/her appointment shall immediately be changed to permanent. The SDO shall facilitate the change in status of appointment to this effect.
- b. If a teacher with a provisional appointment fails to acquire the Eligibility requirement within five (5) years after the date of first hiring, his/her item shall be deemed vacant, and the SDO must publish the said vacancy to allow new applicants to apply for the position.
- ✓ c. A teacher with a provisional appointment shall be entitled to the same compensation and allowances received by permanent personnel, including membership in the GSIS, health insurance, employees' compensation insurance, membership in PAG-IB G Fund, vacation and sick leaves and the monetization, and payment of terminal leave benefits. Furthermore, since the effectivity of a provisional appointment is one (1) school year, defined in this Order as twelve (12) months with the date of appointment as the reckoning date, a teacher with a provisional appointment shall receive the aforementioned compensation and allowances during the summer break.

F. Hiring of DepEd Teachers from Elementary and Junior High School Level

8. For applicants who are already teaching with DepEd either in elementary or JHS, Item II.2 (Scope) of DO No. 3, s. 2016 is clarified as follows:

- a. DO No. 66, s. 2007 entitled *Revised Guidelines on the Appointment and Promotion of Other Teaching, Related Teaching and Non-Teaching Positions* shall apply for applicants for Teacher I to III positions, and MEC Order No.

10, s. 1979 entitled *Implementing Rules and Regulations for the System of Career Progression for Public School Teachers* shall apply for applicants for Master Teacher I to IV positions, except for the provision on the Computation of Points of said Orders. Part VII (Evaluation Criteria and Computation of Points) as specified in DO No. 3, s. 2016 shall apply instead.

- b. In accordance with Chapter 3 Item 8.4.2 of the *Manual on Position Classification and Compensation*, if a teacher is appointed to a position of equivalent rank or of the same salary grade as the previous position, the employee shall receive his/her present salary. To this effect, the Step Increment incurred by the teacher shall be carried over into his/her new position.
- c. All appointments issued in violation of the *Policy on the Three-Salary Grade Limitation on Promotion* (quantum leap) shall be disapproved/invalidated, except when the promotional appointment falls within the purview of any of the exceptions enumerated in Section 97 of the *2017 Omnibus Rules on Appointments and Other Human Resource Actions*. In the selection process, SDOs shall strictly observe these exceptions and provide reasonable justifications to avoid disapproval or invalidation of appointments.

VI. Monitoring and Evaluation

The Bureau of Human Resource and Organizational Development (BHROD) in the Central Office, Regional Human Resource Development Division (HRDD) in the Regional Offices, and the School Governance and Operations Division (SGOD) in the SDOs, shall monitor and evaluate the implementation of this Order. They shall continuously gather feedback and policy recommendations on the recruitment, selection, and hiring of SHS teachers from the concerned offices and stakeholders to further enhance the provisions of the DepEd hiring policies.

The existing qualification standards for the SHS teaching positions in the TVL Track provided under CSC Resolution No. 1600358 promulgated on April 05, 2016, (QS Re: teaching positions for Senior High School, Department of Education), are as follows:

*NC – National Certificate

** TMC – Trainer's Methodology Certificate

As represented by Undersecretary Mateo, in his letter dated April 21, 2017, the above-cited existing QS particularly the training requirement for the TVL track rendered appointments to same positions impossible as "some specializations offered by TESDA are only up to NC II and/or TMC I."

Undersecretary Mateo further represented that the NCII and TMC I requirements were discussed at length with the Technical Education and Skills Development Authority (TESDA) National Institute for Technical Education and Skills Development and Qualification and Standards Office. As a result, the training requirements were lowered to ensure that appointments are possible for all subject positions under the TVL tracks with corresponding increase in experience requirements for the overall QS of SHS TVL teachers to still be comparable to those of the other tracks.

¹ They shall be issued provisional appointments which shall be effective not beyond the school year during which the appointments were issued. The appointment shall be subject to reappointment (renewal).

In the same letter, Undersecretary Mateo requests that once the proposed amended QS for SHS TVL teaching positions are approved, they will be applied retroactively to all pending appointments submitted to the Commission since the previous school year.

In an earlier letter dated February 1, 2017 addressed to Chairperson Alicia Dela-Rosa Bale, Undersecretary Mateo sought reconsideration of the invalidated appointments of teachers from the Schools Division Office (SDO) of Catanduanes and SDO Meycauayan, to wit:

"The appointment of 11 teachers from SDO of Catanduanes for the position of Teacher III were invalidated on the basis of not meeting the training requirement which, xxx is at least NC III and TMC I (appropriate to the specialization). However, upon further review by the Central Office and as raised by various field offices and applicants, some specializations offered by TESDA are only up to NC II and/or TMC I. Thus, meeting the QS specifically the training requirements, would be impossible for these specializations." (underscoring supplied for emphasis)

Undersecretary Mateo further represented that the current number of regular teaching complement cannot address the demands for teachers particularly for the K-12 Senior High School Curriculum. Further, the DepEd is still faced with at least 30,000 vacant teaching positions for filling up.

Relevant to the request of DepEd is the Philippine Qualifications Framework which provides that the completion of technical-vocational courses shall merit the conferment of National Certificate II only. Inasmuch as the completion of technical-vocational course(s) shall be considered as appropriate education for SHS positions, thus, requiring at least NC II as training requirement shall ensure alignment of the QS.

On the Trainer Methodology Certification (TMC) requirement, the Commission validated DepEd's representation through a review of the TESDA's Training Regulations Manual. The review revealed that Trainers Methodology Certificate Level I (TMC I) consists of competencies that a Technical and Vocational Education and Training (TVET) trainer and assessor must achieve. Hence, a holder of TMC I is considered to be a qualified and competent TVET Trainer/Technical Trainer, Training Facilitator/Coordinator and Competency Assessor.

On the other hand, Trainers Methodology Certificate Level II (TMC II) consists of competencies a TVET trainer or technical trainer must achieve in performing functions as training designer/developer. Therefore, a holder of TMC II is considered to be a qualified and competent Curriculum designer, instructional designer and Training designer/developer.

SEYMOUR R. PAJARES
Chief Personnel Specialist
Commission Secretariat & Liaison Office

Considering the nature of the work of SHS teaching positions vis-à-vis the description of TMC I and TMC II, it clearly shows that TMC I is the appropriate training requirement for the SHS teaching positions in the TVL track.

With regard to DepEd's request for the retroactive application of the amended QS once approved, it is emphasized that the present policy of the Commission provides that the reckoning period in determining the qualifications of an appointee shall be on the date of the issuance of the appointment. However, the Commission recognizes the fact that there was inadvertence in the formulation of the QS which the DepEd now seeks to rectify along with the exigency of recruiting and assessing teachers for the SHS TVL Track.

Based on the foregoing, the Commission finds merit to the DepEd's commitment and willingness to resolve its oversight in the qualification standards by working closely with the TESDA to propose the amendment in the qualification standards for the experience and training requirements. Hence, based on the facts gathered as evidenced by the disapproved/invalidated appointments, the application of the amended QS to the issued appointment may be considered and given a curative effect due to the urgency of the requirement and its impact to appointment to SHS teaching positions in the DepEd.

Section 22, Chapter 5, Title I-A, Book V of Executive Order No. 292 provides that:

"(2) The establishment, administration and maintenance of qualification standards shall be the responsibility of the department or agency, with the assistance and approval of the Civil Service Commission and in consultation with the Wage and Position Classification Office."
(Underscoring supplied)

Paragraph 3, Policy No. 2, Part I (General Policies) of CSC Resolution No. 030962 (Revised Policies on Qualification Standards), dated 12 September 2003 states that:

"Agencies are encouraged to set specific or higher standards for their positions. These standards shall be submitted to the Commission for approval, and once approved, they shall be adopted by the Commission as qualification standards in the attestation of appointments of the agency concerned."

An evaluation of the proposed amended qualification standards for the experience and training requirements reveals that the amended experience and training qualification standards are necessary and appropriate in the performance of the duties and responsibilities of the subject positions.
