Dear **Dr. Jimenez**,

This year, **The Ramon Aboitiz Foundation (RAFI) - Center for Leaders** launched its Online Youth Alumni Community with the aim to **create** a safe space for our alumni to learn and relearn from sharing of leadership stories and powerful conversations, **connect** them with other network of leaders and **continue** the conversations on youth empowerment. Staying true to the mission of enabling leaders and communities with powerful learning experiences.

One of our alumni engagements is an online learning series dubbed as #WaterBottleSession. Every month, we gather alumni in an online activity designed to reinvigorate the passion and aspirations of the youth.

This **June 26, 2021 from 9:00AM-11:30AM**, to commemorate the Philippine Independence Day, RAFI - CFL will have its second #WaterBottleSession entitled, ***Fighting a Modern-day battle: Inspirational Leadership During Times of Uncertainty***. It has become apparent that today's biggest challenge is the feeling of isolation and disconnectedness among individuals in our communities, especially the youth.

The session hopes to achieve the following:

1. Share alumni stories highlighting their courage in fighting personal challenges during times of uncertainty.
2. Inspire alumni with stories of ordinary individuals who do extraordinary work in rallying people together to engage others in fighting and winning their modern-day battles.
3. Highlight the importance of inspirational leadership in the time of adversity.

In this regard, we would like to invite our alumni specially our Supreme Student Government Officers from the different divisions in Central Visayas. We would like to request an official endorsement of the activity from your office and to communicate this invitation to our youth formation coordinators.

Attached is the program flow and the background of the speakers.

Should you have questions and further inquiries on this invitation, you may contact Jo Ann Ramos, Service Lead for Youth Development Programs thru email at jo.ann.ramos@rafi.ph or mobile at 09158896748.

Thank you very much for your kind attention, and we look forward to your positive response to our invitation. We hope to continue working with you in touching lives and shaping the future of our young leaders.

Sincerely
