FOUNDATION INC**

Dear **Dr. Andales**:

Greetings!

The Ramon Aboitiz Foundation, Inc. - Eduardo J. Aboitiz Cancer Center (RAFI-EJACC) fosters wellness through its programs in cancer advocacy and education, screening and early detection, and treatment assistance.

As one of our valued wellbeing advocates, we would like to partner with your Schools Division Office to organize a webinar entitled **"Breast Cancer: What Every Woman Should Know"** on July 7, 2021; 2:00PM to 4:00PM thru Zoom and FB Live. The session strengthens Breast Cancer Awareness among women and in the long term, increased compliance of breast screening and number of early detected new cases. We understand the limitation of Zoom in terms of the number participants. May we also request to stream live our webinar in DepEd Tayo DepEd Cebu Province Facebook page- <https://web.facebook.com/depedtayocebuprovince>.

Our resource speaker is **Saleshe Tracy Anne G. Baking-Fernandez, M.D.** whose specialization is in breast surgery. She is a diplomate in the The Philippine Board of Surgery, Inc. and a Fellow of Philippine College of Surgeons.

We are inviting teachers, school heads, parents, personnel and officials of DepEd Cebu province and they can register in advance at <https://bit.ly/3A6YQcn>. E-certificates will be provided to those who accomplish the registration and evaluation form. In anticipation of the number of participants joining, kindly give us 5 to 10 days lead time to process the e-certificates.

We would be happy to accommodate any questions and clarifications. Please feel free to contact Richard de los Reyes at richard.delosreyes@rafi.ph or (0929) 315 2419.

Thank you very much and we hope for your most favorable and immediate response. We hope to continue partnering with you in touching lives and shaping the future of our country.

Sincerely,

Richard de los Reyes
