DIVISION MEMORANDUM
No. 369, s. 2021

INTERNATIONAL COASTAL CLEAN-UP DAY

To: Assistant Schools Division Superintendent
Chief, CID and SGOD
Heads, Elementary and Secondary Schools
All Others Concerned

1. Attached is Regional Memorandum no. 804 s. 2021 "International Coastal Clean-up Day" is celebrated every third Saturday of September that is, **18 September 2021**.
2. We encourage all DepEd Personnel and school learners to conduct a coastal/river/waterways clean-up at their respective homes or locality as an advocacy to help clean and promote the program on 18 September 2021. Also requested that all collected plastics or non-biodegradable waste must be weighed and take picture as a means of verification (MOV) of the activity. Make sure that all collected must be turned over to garbage collector for proper disposal.
3. Further, we encourage everyone to support and promote SAL on ECO BIKER's (Sustainable, Advocacies with Love on Environmental Conservation Outreach in Biodiversity, Interactive, Knowledge-provider, Education to Reduce-Reuse-Recycle-Reforest) as our strategic action on Climate Change problem in the country. The use of bikes are encouraged as a means of transportation from respective residence to the office/school and vice versa especially on the conduct of outreach activities.
4. Consolidated physical accomplishment report shall be submitted on or before 27 September 2021 thru ester.roltan@deped.gov.ph.
5. Immediate and wide dissemination of this Memorandum is desired.

REGIONAL MEMORANDUM

No. 0804, s. 2021

SEP 14 2021

INTERNATIONAL COASTAL CLEAN-UP DAY

To: Schools Division Superintendents
Regional and Division DRRM/Youth Formation Coordinators

1. Every year the third Saturday of September is marked as the International Coastal Cleanup Day. This year will be celebrated on September 18, 2021. The purpose of the cleanup is to engage people around the world to remove trash and debris from beaches and waterways, identify the sources of the litter, and change the behaviors that cause pollution.
2. As per study, there are around 5.25 trillion pieces of plastic debris in the ocean. This is one factor that destroy our marine sanctuary wherein some of the fisherfolks in our country rely solely in fishing as a means of their livelihood.
3. In view of the pressing global concerns and issues on the environment, the Department of Education (DepEd) RO7 invites all Division Offices and schools to encourage personnel and learners to conduct coastal/river/waterways clean-up at their respective home/locality as an advocacy activity to help clean and promote this program on September 18, 2021. It is also requested that all collected plastics or non-biodegradable waste must be weighed and take picture as a means of verification (MOV) of the activity. However, all collected must be turned over to garbage collector for proper disposal.
4. Furthermore, this Office encourage all Division Offices and schools to support and promote SAL on ECO BIKER's (Sustainable, Advocacies with Love on Environmental Conservation Outreach in Biodiversity, Interactive, Knowledge-provider, Education to Reduce-Reuse-Recycle-Reforest) as our strategic action on Climate Change problem in our country especially in Central Visayas. This initiative encourages DepEd Region 7 personnel, learners, and stakeholders to use bikes as a means of transportation from respective residence to the office/school and vice versa especially on the conduct of outreach activities.
5. Divisions consolidated physical accomplishment report are requested to submit on/on before September 30, 2021, through the email ranilo.edar@deped.gov.ph.
6. For the template of the physical accomplishment report, questions, and clarifications, refer to the attached document or contact Mr. Ranilo L. Edar through his mobile no. 09287941159.
