

Republic of the Philippines
Department of Education
REGION VII – CENTRAL VISAYAS
Schools Division of Cebu Province

**Office of the Schools Division
Superintendent**

September 21, 2021

DIVISION MEMORANDUM

No. **379**, s. 2021

**WEBINAR ON CONSERVATION AND WASTE MANAGEMENT SYSTEM FOR
EDUCATIONAL INSTITUTIONS**

To: Assistant Schools Division Superintendent
Chief, CID and SGOD
Public Elementary and Secondary School Heads
All Others Concerned

1. This Office hereby informs the field for the participation of the Webinar on Conservation and Waste Management System for Educational Institutions in partnership with Nature's Spring Foundation, Inc. on September 30, 2021 from 2:00PM – 4:30PM. This webinar will help raise knowledge, awareness, and action to a collective effort to waste management education.
2. The webinar will be beneficial to the schools as it will provide them guidance on the implementation of a sustainable waste management system in their respective schools and integrate waste management education.
3. Please see attached letter from NSFI for further instructions and information.
4. Minimum public health standards shall be always complied with for the whole duration of the aforementioned activity.
5. Wide dissemination of and strict compliance with this Memorandum are hereby requested.

NATURE'S SPRING

September 15, 2021

DR. MARILYN S. ANDALES, CESO VI

Schools Division Superintendent

DepEd Cebu Province Division

Dear **DR. ANDALES**,

Greetings!

I hope this letter finds you well. Since it launched the Bote Challenge in 2019, Nature's Spring Foundation has maintained its close ties with the DepEd Cebu Province and engaged in many of the activities of both our organizations for the benefit of educational development.

This year, as we celebrate the International Coastal Cleanup Month in the time of a Covid-19 pandemic, we wanted to redirect our initiatives and focus on conducting online webinars that will help raise knowledge, awareness, and action to a collective effort to waste management education.

In this regard, we would like to invite the teacher representatives from the all of the schools under the DepEd Cebu Province Division to join us as we conduct a **Webinar on Conservation and Waste Management System for Educational Institutions** on September 30, 2021 from 2:00 to 4:30 PM. The webinar will be beneficial to the schools as it will provide them guidance on the implementation of a sustainable waste management system in their respective schools, and integrate waste management education. We invited our partners from DENR Environmental Management Bureau, the Bureau of Fisheries and Aquatic Resources to speak on topics like Integrating Ecological Solid Waste Management to the School Systems, Best Practices on School Waste Management, and Conservation: Threats, Issues, and Initiatives.

We hope that many of our educators will be able to attend and learn a lot from this webinar event. To all the interested participants, please register through the link <https://tinyurl.com/2NtJwzbinar>. We will provide e-certificates for the event, and printed certificates upon request.

For further coordination, please contact Gabrielle Espinosa, Senior Program Officer, through mobile no. at 0966 460 6464, landline at 355-8888 loc. 8794, or through email at nature.spring.foundation@gmail.com.

Thank you and stay safe, always.

Kind regards,

MARIFE S. PINERO, RSW
