REGIONAL MEMORANDUM
No. 1046, s. 2021

**GUIDELINES ON TEACHING AND NON-TEACHING PERSONNEL
ON COVID-19 VACCINATION OF THEIR CHILD FOR DEPED REGION VII**

To: Schools Division Superintendents
Assistant Schools Division Superintendents
All Others Concerned

1. Part of the government's effort to fight the COVID-19 pandemic is the safe implementation of the COVID-19 vaccination program for the pediatric group, 12-17 years old. This is one of the major strategies to complement the existing measures and practices to mitigate the spread and reduce morbidity and mortality due to the coronavirus infection.
2. One of the requirements of the pediatric group vaccination is that they shall be accompanied by a parent or guardian for the consent form processing.
3. As DepEd's support to the "whole of government approach" paradigm, the concerned teaching and non-teaching personnel whose child is scheduled for vaccination on that day shall be allowed to request for a **Work from Home (WFH) arrangement** to be arranged and approved by their authorized official beforehand. The personnel will then submit a copy of the vaccination card for validation purposes.
4. Immediate dissemination of this Memorandum is desired.
