DR. MARILYN ANDALES
Division Superintendent
DepEd Cebu Province Division
Lahug, Cebu City

Dear Dr. Andales,

Greetings from RAFI – One To Tree (OTT)!

We are writing in connection with our School-Based Tree Growing Project in partnership with the various School Districts under the DepEd Cebu Province Division and supported by the Aboitiz Equity Ventures. Started in 2018, we are happy to share that the project has planted and nurtured around 580,000 trees and engaged over 51,000 students in more than 300 schools all throughout the province. It also provided technical training and support to the teachers and school heads in setting-up and managing the tree growing projects in each of their respective schools.

As we are about to reach the end of the project after four productive years, we would like to thank you and the whole DepEd Cebu Division team for your valuable support! Our partnership has accomplished more than what we aimed for so we are happy to turn-over the project and recognize the accomplishments of each school partner who made this possible. In line with this, we would like to request for your presence during the ceremonial project turn-over on **June 27, 2022 Monday 10:00 AM at The Kabilin Center (TKC)** of the Ramon Aboitiz Foundation Inc. located at the Eduardo Aboitiz Street, Cebu City (beside Casa Gorordo Museum). Please find attached draft program for your reference.

We also would like to invite one (1) Representative from each School District (either the District Supervisor or District NGP Coordinator) under the Tree Growing partnership to receive the project turn-over certificates. In line with this, may we request for an official memorandum from your office to inform the District Representatives on the upcoming project turn-over. Attached is the list of districts for reference.

In addition, may we also request for a meeting with you prior to the turn-over activity to present the updates and accomplishments of the project. Please allow us to confirm with your office for your availability. Should you have any clarification, please feel free to contact the undersigned at mobile 0917 307 0100 or email at anton.dignadice@rafi.ph.

Hoping for your favorable response to our request. Thank you very much.

Sincerely yours,

ANTHONY G. DIGNADICE
Executive Director
RAFI – One To Tree
