07 October 2022

DR. MARILYN S. ANDALES
Schools Division Superintendent
DepEd VII – Division of Cebu Province
Sudlon, Lahug, Cebu City

Dear Dr. Andales:

Greetings!

The Department of Science and Technology (DOST) will commemorate **National Science and Technology Week (NSTW)** this year with the theme, '**Agham at Teknolohiya: Kabalik sa Maunlad at Matatag na Kinabukasan**'. All agencies and regional offices of the DOST will be one in celebrating this annual event. Several activities are lined-up to showcase all S&T research, innovations, and services offered by DOST.

The Philippine Science High School System (PSHSS), as an attached agency of DOST, joins this nationwide event in promoting science and technology and highlighting their contribution to national development. In region VII, the Philippine Science High School – Central Visayas Campus (PSHS-CVisC) will hold the **Regional Sci-Math Battle 2022 for Grade 6 students**. The activity will be on **November 4, 2022 at Robinsons Galleria Cebu, Cebu City**.

With the DepEd R7 Advisory No. 0191, s. 2022 attached to this letter, we would like to seek assistance from your good office for endorsement through an advisory to expedite the process of disseminating our co-curricular activity to all the elementary schools in your division. Further, we would like to request that the Education Program Supervisor (EPS) for Science of your division will be our point person for proper communication and coordination. For more details, please refer to the activity guidelines which also comes with this letter.

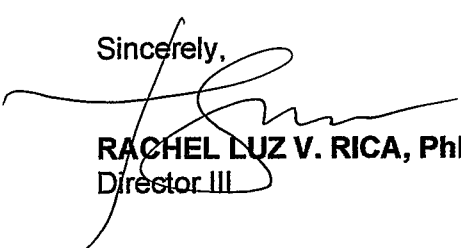

Our focal persons will be in attendance for your inquiries and other concerns.

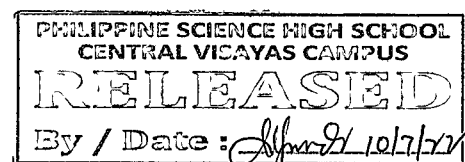

WESLEY C. BARCOMA
NSTW Regional Coordinator

2022 National Science and Technology Week (NSTW)
Regional Sci-Math Battle

ACTIVITY GUIDELINES AND MECHANICS

GENERAL GUIDELINES

I. Eligibility and Registration

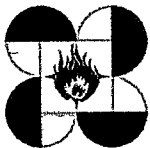

1. The Sci-Math Battle is open to all currently enrolled Grade 6 elementary students from Central Visayas. They must be endorsed by the Schools Division Office.
2. The Division Office may endorse only one elementary student.
3. The Division Office may also appoint a teacher-coach to assist the student in the preparation for the competition.
4. The teacher-coach or any division representative shall also facilitate the student's registration requirements and coordinate with the Division Office for the registration process.
5. The registration requirements include (1) a parental consent form and (2) certification and endorsement from the division office, (3) a copy of school ID, and (4) proof of LIS enrollment for SY 2022-2023.
6. A registration fee is not required to participate in this activity.
7. After the registration deadline, the teacher-coach will be contacted through email to confirm their participation. Additional instructions will also be communicated to the teacher-coach.
8. Confirming participation in the activity shall mean complying with the guidelines and mechanics.
9. The links for registration and registration documents are as follows:

Registration Link: bit.ly/NSTW7Registration

Registration Requirements: bit.ly/NSTW7Requirements

II. Important Dates

1. Registration is open **until October 26, 2022, at 11:59 pm.**
2. The Sci-Math Battle is scheduled on **November 4, 2022.** The final venue will be communicated upon confirmation of participation.

III. SCI-MATH BATTLE GUIDELINES

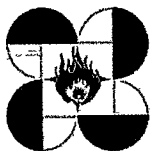

1. The Sci-Math Battle will be conducted in location on November 4, 2022, and will be streamed live through the PSHS-Central Visayas Campus's official Facebook page.
2. There will be three rounds of questions that follow an increasing level of difficulty. Each round has certain number of questions with each correct answer worth certain points.
 - a. The easy round is made up to ten questions. Each correct answer is equivalent to 5 points. Each correct answer in the average round, which is made up of seven questions, is worth 7 points. The final round has five questions, with each correct answer equivalent to 10 points.
 - b. The participants will be given 10 seconds to answer the questions in the easy round, 30 seconds in the average round, and 60 seconds in the difficult round.
3. The accumulated points from all the rounds shall determine the winners.
4. In case of a tie, the concerned participants will proceed to the tiebreaker round.
5. Any protests will be resolved by the judges, whose decision will be final and irrevocable.
6. The topics of the Sci-Math Battle will cover Grade 5 and 6 science, mathematics, and technology.

IV. Winners and Prizes

1. Each participant and teacher-coach shall receive a certificate of participation. The top three participants and their teacher-coaches will also receive certificates of recognition.
2. The top three participants will receive STEM kits and other prizes. The champion will receive P5,000 worth of STEM kits. The second and third place winners will receive P3,000 and P1,500 worth of STEM kits, respectively.
3. The winners of this competition will be announced not only during the awarding ceremony but also through the PSHS-Central Visayas Campus's official Facebook page.

V. Honesty Pledge

Everyone concerned should be responsible for protecting and maintaining the competition's integrity. Joining this competition means the participants will only submit answers that result from their effort. Using calculators, mobile apps, or computer software, consulting with anyone, and using physical or online references are prohibited. Joining the competition shall
