All Others Concerned

1. The Oplan Kalusugan (OKD) has been the primordial health and nutrition program of the Department of Education anchored at the goal of answering the various medical, dental, and nutritional issues in school thus producing quality learners. All the 6 Flagship programs play a vital role in shaping the future of our schoolchildren. In highlighting the importance of the OkD, a ceremonial activity is deemed necessary to further give information, implement services and highlight the achievement of each flagship program to create community support and partnership with other stakeholders.
2. In this connection, this office will celebrate One Health Week on February 14, 2023, at DepEd Cebu Province Division Office and on February 17, 2023, at Alegria Central Elementary School Covered Court. Consistent with the current mandate of the Department of Education to have fewer class disturbances as well as pull-out of personnel, the program will only last for two (2) hours starting at 3:00 pm to 5:00 pm. The activity aims to showcase DepEd's flagship programs under the Oplan Kalusugan sa DepEd (OK sa DepEd) which are:
  - a. Medical, Dental, and Nursing Services
  - b. Water, Sanitation, and Hygiene (WASH) in Schools (WinS) Program
  - c. School-Based Feeding Program (SBFP)
  - d. Adolescent Reproductive Health (ARH) Program
  - e. School Mental Health Program; and
  - f. National Drug Education Program (NDEP)
3. Participants in this activity will be a total of 69 personnel including selected school heads and clinic teachers from Alegria District. Please refer to the enclosure for a list of participants from Medical-Dental personnel.
4. The participants are advised to bring/wear face masks and sanitizer during the activity, and still observe health protocols against COVID-19. However, participants

6. This memorandum serves as the Authority to Travel of the participants and members of the training team.
7. Widest dissemination and strict compliance of this Memorandum is hereby directed.
