**GUIDELINES ON THE IMPLEMENTATION

PROGRAM FOR SENIOR HIGH SCHOOL  
TECHNICAL-VOCATIONAL-LIVELIHOOD  
(JDVP SHS-TVL) SPECIALIZATIONS FOR  
SCHOOL YEAR 2022-2023**

## RATIONALE

1. Republic Act (RA) No. 10533 or the Enhanced Basic Education Act of 2013 recognizes the constitutional mandate of the State to “establish, maintain and support a complete adequate and integrated system of education relevant to the needs of the people, the country and society-at-large.”
2. RA 10533 thus directs the State to “create a functional basic education system that will develop productive and responsible citizens equipped with the essential competencies, skills and values for both lifelong learning and employment.” To achieve this, the state is further instructed to “broaden the goals of high school education for college preparation, vocational and technical career opportunities as well as creative arts, sports and entrepreneurial employment in a rapidly changing and increasingly globalized environment.”
3. Pursuant to these mandates, among the hallmarks of the K to 12 Basic Education Program is the Senior High School (SHS), which provides for a Technical-Vocational-Livelihood (TVL) Track along with three (3) other SHS Tracks, namely: Academic Track, Sports Track, and Arts & Design Track. The TVL Track has four (4) strands: Agri-Fishery Arts (AFA), Home Economics (HE), Information and Communication Technology (ICT), and Industrial Arts (IA) that offer various specializations.

## RATIONALE

4. In RA 10533, it is provided under Section 12 (Transitory Provisions) thereof that the Department of Education (DepEd), Commission on Higher Education (CHED), Technical Education and Skills Development Authority (TESDA), Technical Vocational Institutions (TVIs), and Higher Education Institutions (HEIs) shall coordinate closely with one another to implement strategies to ensure that the academic, physical, financial and human resource capabilities not only of HEIs, but also of TVIs, are utilized and not adversely affected." In conjunction, there is a need to address transitory shortage in workshops, tools, equipment and teachers for the TVL Track in DepEd public Senior High Schools (SHSs).
5. Sec. 10 of RA 10533 (Expansion of E-GASTPE Beneficiaries) also stated that the benefits accorded by Republic Act. No. 8545, or the Expanded Government Assistance to Students and Teachers in Private Education Act, shall be extended to qualified students enrolled under the enhanced basic education. The DepEd shall engage the services of private education institutions and non-DepEd schools offering senior high school through the programs under RA 8545 and other financial arrangements formulated by the DepEd and the Department of Budget and Management (DBM) based on the principles of public-private partnership.

## RATIONALE

6. Operating on this premise, the Joint Delivery Voucher Program for Senior High School Technical Vocational and Livelihood Specializations (JDVP-TVL) promotes partnerships between DepEd and partner institutions as stipulated in RA 10533. Under this law, the invaluable contribution that the private schools have made and will make to education and the complementary roles of public and private educational institutions are recognized towards the fulfillment of the mandate of the State to promote and make quality education accessible to all Filipino citizens. The State then undertook to provide general mechanism to maximize the use of existing resources of private education.
7. The said general mechanism under the E-GASTPE law was made more specific by the FY 2023 GAA by appropriating funds for JDVP-TVL intended to enable select DepEd public SHS students taking TVL Track to take their TVL subjects in private or non-DepEd public SHS subject to these guidelines. In addition, pursuant to Section 24 (Participating Schools), Rule VI (E-GASTPE Beneficiaries and Other Financing Arrangements with Private Educational Institutions and non-DepEd Public Schools) of RA 11936, the providers are expanded to include private TVIs, subject to the issuance of these guidelines.

## RATIONALE

8. This JDVP-TVL is designed to optimize TVL learning by allowing SHS students enrolled in public schools to avail of vouchers and take their TVL specializations in partner institutions from either private or non-DepEd public SHSs, as well as TVIs, offering their desired specializations.
9. The JDVP-TVL partners and recipient schools may now conduct in-person training and education of the select learner-beneficiaries and full in-person training and education, starting November 2, 2022 through DepEd Order No. 34, s. 2022. However, if there are situation calls for the health and safety of the learners, the schools/TVIs shall implement the provisions stated in DepEd Order No. 39, 2. 2022.
10. The Monitoring & Evaluation (M&E) conducted shows that one of the challenges encountered in the implementation of the program during the pandemic is the difficulty in finding partners, particularly in rural areas where only 80% of the participating schools have accessible JDVP partners. Thus, DepEd Order No. 04, s. 2021 was issued to allow potential JDVP partners whose locations are beyond the eight-kilometer (8 km) radius from the listed qualified DepEd public SHSs to participate in the program, provided that they meet the basic requirements, they have the capacity to provide the education and training to the JDVP-TVL learner-beneficiaries, and that they are situated within the concerned region. However, the concerned SDO has to submit a justification letter duly signed by the Schools Division Superintendent (SDS) for selecting eligible JDVP partners situated beyond the eight-kilometer (8 km) radius from the location of the identified possible partner DepEd public SHSs.

## **SCOPE AND COVERAGE**

11. The JDVP-TVL Guidelines cover Grade 12 students enrolled in DepEd public SHSs under the TVL track who will be allowed to take their TVL specialization subjects in eligible private or non-DepEd public SHSs and private TVIs for School Year 2022-2023. This shall guide concerned offices in the Central Office (CO), Regional Office (RO), SDO, and schools in the program implementation.
12. These Guidelines shall likewise cover the school years subsequent to the implementation of the JDVP-TVL in SY 2022-2023, subject to such amendments or revisions that may be introduced for purposes of improving and enhancing the JDVP-TVL implementation based on the M&E data and other relevant information

## POLICY STATEMENTS

13. The DepEd issues the Guidelines on the Implementation of the JDVP-TVL with the primary objective of enhancing the capability of DepEd SHSs to implement the TVL track through partnerships with partner institutions that are equipped with necessary resources (teachers, workshops, tools and equipment) to carry out the program. Specifically, the JDVP-TVL aims to:
- a. enable the learners to complete their respective TVL specialization subjects through the JDVP-TVL Partners;
  - b. provide an appropriate learning environment required of the specialization; and
  - c. address delays in the provision of the necessary resources for TVL Specializations.
14. The JDVP-TVL is consistent with RA 8545, both in terms of policy and form of assistance. Under this law, the invaluable contribution that the private schools have made and will make to education and the complementary roles of public and private educational institutions are recognized towards the fulfillment of the mandate of the State to promote and make quality education accessible to all Filipino citizens. The State then undertook to provide mechanisms to maximize the use of existing resources of private education.
