1. The Oplan Kalusugan (OKD) has been the primordial health and nutrition program of the Department of Education anchored at the goal of answering the various medical, dental, and nutritional issues in school thus producing quality learners. All the 6 Flagship programs play a vital role in shaping the future of our schoolchildren. In highlighting the importance of the OkD, a ceremonial activity is deemed necessary to further give information, implement services and highlight the achievement of each flagship program to create community support and partnership with other stakeholders.
2. In this connection, this office will celebrate One Health Week on May 24, 2023, at Bugho Integrated School, San Fernando I District. Consistent with the current mandate of the Department of Education to have fewer class disturbances as well as pull-out of personnel, the program will only last for two (3) hours starting at 3:00 pm to 5:00 pm. The activity aims to showcase DepEd's flagship programs under the Oplan Kalusugan sa DepEd (OK sa DepEd) which are:
 - a. Medical, Dental, and Nursing Services
 - b. Water, Sanitation, and Hygiene (WASH) in Schools (WinS) Program
 - c. School-Based Feeding Program (SBFP)
 - d. Adolescent Reproductive Health (ARH) Program
 - e. School Mental Health Program; and
 - f. National Drug Education Program (NDEP)- Tobacco Control Program
3. Participants in this activity will be a total of 51 personnel including selected school health section, school heads, and clinic teachers from San Fernando I. Please refer to the enclosure for a list of participants from Medical-Dental personnel.
