DIVISION MEMORANDUM

No. **368**, s. 2023

SPACE TIME
(An Immersive, Interactive, Innovative Mobile Science Fair)

To: Assistant Schools Division Superintendents
Chiefs, CID & SGOD
Education Program Supervisors/Coordinators
Public Schools District Supervisors/OICs
Elementary and Secondary School Heads
Heads, Private Elementary and Secondary Schools

1. Attached is DepEd R7 Advisory No. 0187, s. 2023, dated July 24, 2023, titled “ **Space Time (An Immersive, Interactive, Innovative Mobile Science Fair)**”.
2. Reiterating the strict observance of the provision of DECS Order No. 9, s.2005, titled “**Instituting Measures to increase Engaged Time-On-Task or No Disruption of Classes Policy**” and all other existing DepEd Policies and Regulations and Ensuring Compliance Therewith”.
3. Immediate dissemination of and compliance with this Memorandum is directed.

Subject: **SpaceTime (An Immersive, Interactive, Innovative Mobile Science Fair) for the School Year 2023 - 2024**

Dear Dr. Paulin:

We are extremely delighted to announce that we shall be conducting an immersive, interactive and innovative mobile science fair to various participating schools nationwide for the school year 2023-2024. The event shall be tagged as **SpaceTime**.

SpaceTime is an inclusive celebration of science, astronomy, curiosity, and discovery; a natural multi-discipline event that can best present relevant science information in a way that is accurate, engaging and inspirational. The transformative SpaceTime experience can be an outstanding gateway that will encourage our students and the community to engage in a lifetime process of learning.

SpaceTime shall be presented by Laniakea Ventures and SciMath Interactives Inc., in collaboration with various science advocates and amateur astronomy groups in the country.

The main objective is to promote interest in science and technology and to transform hands-on science exhibits into a mixed-reality learning experience.

In this regard, we would like to request for a DepEd Advisory from your good office. Attached herewith is our concept brief and the description of activities for your perusal. Please feel free to get in

touch with us at your most convenient time should there be a need for further discussion about the conduct of the said activity.

Lanakea
VENTURES

We are praying for a favorable response and prompt action. With your approval, we affirm our commitment to unleash the genius within every child through the SpaceTime learning experience.

Thank you very much. Mabuhay!

With you in service,

AIRENE TERRY
Project Officer
SpaceTime Science Fair

An Experience Like No Other

It's time to embark into a virtual journey to outer space and fully immerse ourselves into the wonders and mysteries of the expanding universe. By engaging in SPACETIME Science roadshow, we can peer deep into space, travel back billions of years in time to witness the birth of the universe, explore our own Milky Way galaxy and return home to Earth on a spectacular tour through the solar system.

The SPACETIME Experience

AREA 1: SpaceDome
(Virtual Celestial Navigation)

7m diameter | Height: 4.2 meters | Floor Area: 38.48 m²

Our virtual space dome is an effective and unique immersive interactive facility used to support Science, Technology, Engineering, and Mathematics (STEM) learning as well as Art, Culture, and History.

- Unique inspirational positive social environment
- Realistic Atmosphere with intuitive navigation
- Inquiry-based learning
- Reinforcement of Classroom Learning & Retention
- Multi-discipline presentations

AREA 4: SpaceWiz (Unleash The Genius In Every Child)

To enhance creativity, innovation and scientific thinking among the students, we shall conduct competitions and other relevant activities customized to suit the needs and level of the participating students.

Water Rocket Competition

Best in Design
Longest Flight
Farthest Flight

Poster Making Contest

***Photos of some of the posters made and submitted by Grade6 students in Ateneo De Davao University

SpaceQuiz (Grades 1-3 | Grades 4-6 | Grades 7-10 | Grades 11 - 12)

***Prizes and freebies await deserving winners. Mechanics shall be discussed with the Science Coordinator.

Optional Area 5: PHOTO BOOTH

(Digital copies to be provided for free | Photo prints available for a minimal fee upon request)
