Dear **Mr. Jimenez**;

The Department of Science and Technology - Science Education Institute (DOST-SEI) is mandated to accelerate the development of science and technology (S&T) human resources in the country. This includes the implementation of programs and projects for the promotion of science, technology, engineering, and mathematics (STEM) as a field of study and career.

To this, DOST-SEI is launching again the new cycle of one of its innovation competitions for grade 11 and 12 senior high school students designed to increase their interest and awareness in STEM and in the crucial role of science and technology in nation-building.

The “7th **Imake.Wemake:create,innovate,collaborate**”, is an innovation competition that aims to unleash the creativity of young Filipinos in innovation using accessible technologies to address a community issue or improve a social condition. The competition calls for innovative project proposals from senior high school students that capture the purpose, the process, and the specific product that the students wish to create. The students are then provided the resources to build and test their projects after extensive training and collaborative work with their team members and mentors.

In this regard, we would like to seek your support for the said STEM competition in disseminating the information through your official website and social media platform. Below is also the link to the entry form, full contest mechanics, and digital materials:

Online Entry Form and detailed mechanics: <https://bit.ly/7thimwm>

The deadline for submission of entries is until **December 4, 2023**.

The three (3) winners of the competition will be conferred the Youth Innovation Prize (YIP) Award, a trophy, and a cash grant amounting to Php 200,000.00 each. The coaches of the winning team will also receive Php 20,000.00 each.

If you have questions about the competition, you may email us at imake.wemake@sei.dost.gov.ph or reach us through our official Facebook page <https://www.facebook.com/imake.wemake>

Thank you.

Very truly yours,

DR. JOSETTE T. BIYO
 Director IV
