SUBJECT : **INVITATION TO THE 5TH PHILIPPINE CONFERENCE ON**  
**MEDICAL PHYSICS (PCMP)**

DATE : 2 April 2024

The **Society of Medical Physicists in the Republic of the Philippines, Inc. (SMPRP)** will conduct the 5<sup>th</sup> Philippine Conference on Medical Physics (PCMP) on **May 10-11, 2024**, at the **Marco Polo Hotel, Cebu City**.

This conference aims to gather nationwide participation of medical physicists across different subspecialties. This will serve as a venue for participants to share the innovations through research, technology, and showcase of good clinical practice. The event also serves as a fitting opportunity to discuss the updates of the national regulatory bodies concerning the medical use of radiation.

Teachers associated with the Department of Education may opt to attend the said activity provided that their participation will not hamper the conduct of classes in schools. The use of DepEd funds shall be subject to the approval of their respective approving authorities. The same is also contingent upon its availability, and adherence to the usual accounting and auditing rules and regulations.

Please see the attached communication from SMPRP for more details. Should there be further inquiries, kindly email the SMPRP Secretariat through the email address [pcmp@smprp.org](mailto:pcmp@smprp.org) or mobile number 0927-7735-713.

## HON. SARA Z. DUTERTE

Vice-President of the Republic of the Philippines  
Secretary, Department of Education  
DepEd Complex, Meralco Ave.,  
Mandaluyong City  
[oscc@deped.gov.ph](mailto:oscc@deped.gov.ph)

Dear Hon. Duterte,

The Society of Medical Physicists in the Republic of the Philippines, Inc. (SMPRP) is the professional organization of Filipino medical physicists practicing in the fields of nuclear medicine, diagnostic radiology, radiation oncology, and related fields. It is the Philippine national member organization (NMO) of the International Organization for Medical Physics (IOMP), Asia- Oceania Federation of Organizations for Medical Physics (AFOOMP), and the Southeast Asian Federation of Organizations for Medical Physics (SEAFOMP).

In line with the objectives of the society to promote and strengthen the medical physics profession by developing and disseminating scientific and technical information in medical physics and related fields, we humbly request the endorsement and consideration for official time for DepEd science and physics teachers for the upcoming **5<sup>th</sup> Philippine Conference on Medical Physics (PCMP) on May 10-11, 2024, at the Marco Polo Hotel, Cebu City**. We are also processing the accreditation for CPD units for licensed professional teachers at the relevant professional regulatory board.

This conference aims to gather nationwide participation of medical physicists across different subspecialties. This will serve as a venue for participants to share their innovations through research, technology, and showcase of good clinical practice. The event also serves as a fitting opportunity to discuss the updates of the national regulatory bodies concerning the medical use of radiation.

Thank you and we look forward to your positive response. Attached is the official conference poster, provisional guidelines, and program as reference. For coordination matters, please contact our Public Relations Officer, **Ms. Nikkitita M. Magdaong** at 09277735713 or email [pcmp@smprp.org](mailto:pcmp@smprp.org).

Very truly yours,

MELANIE D. MARQUEZ, MSc, CMP-DRMP  
President
